Dear Pauma Valley Community Services District Customers,

The PVCSD Board is very happy to report that we are going GREEN.

A few highlights are:

## SECURITY-VEHICLES

Our three Ford Explorer patrol vehicles have reached their end-of-life. As such, we budgeted and purchased two new electric patrol vehicles which allow us to "go green" and save on district expenses.

## SOLAR

We approved a project to add 200 solar panels which will power the District office, Oak Tree Ranch lift station, the two new electric patrol vehicles, and the wastewater treatment plant.

Both of these "Green Projects" are designed to save the District approximately \$40,000 annually.

## SECURITY-STAFF

In this day and age, availability of good talent is scarce and keeping employees is the key to our business success. As such, we modified this year's budget and raised the salaries for Security personnel which reflects a very modest increase in your monthly bills.

The PVCSD Board strives to be open and transparent. Our website is: <https://www.paumavalleycsd.com>. Here you can read our Mission Statement and Public Meeting minutes.

If you have questions, the public is invited to our monthly Board Meetings on the 4<sup>th</sup> Monday of each month beginning at 10:00 am.

Sincerely,

PVCSD Board of Directors
